

**KATNISS & PEETA** are back from the Capitol as victors of the 74th Hunger Games. But things will never be the same for either of them.

*Catching Fire* continues the story of the two teens as they travel all over Panem on their victory tour, hoping to convince the public (and President Snow) that their love is real. But can Katniss forget her feelings for Gale? Can she stop the rebellion in the other districts? Does she even *want to*?

And then there's the 75th annual Hunger Games--the third Quarter Quell. You will be surprised who is forced into the arena to fight for their lives.

### REVIEW OF SETTING

- In which country does Katniss live? \_\_\_\_\_
- The \_\_\_\_\_ is a city separate from the districts, in which the government reigns. It is set in what used to be the \_\_\_\_\_ mountains.
- There are \_\_\_\_\_ districts in the country. (How many?)
- Which district are Katniss & Peeta from? \_\_\_\_\_
- Their district is set in the \_\_\_\_\_ mountains near the eastern coast.
- Their district's industry is \_\_\_\_\_.
- You cannot work in that industry until you are age \_\_\_\_\_.
- In order to feed their families, Katniss and \_\_\_\_\_ would go to the woods to \_\_\_\_\_.
- Katniss is especially skilled in \_\_\_\_\_.
- There are four distinct "neighborhoods" in their home district. Name each of them by completing these statements:
  - Katniss grew up in the \_\_\_\_\_ along with the other miners' families.
  - Peeta and his family, along with Katniss's mother, grew up in the \_\_\_\_\_ above their businesses.
  - The merchants served the wealthiest \_\_\_\_\_, who lived in the nicer part of the district.
  - The winners of the Hunger Games inhabit \_\_\_\_\_ (two words).
- The \_\_\_\_\_ is in an abandoned warehouse and home to many vendors selling illegal goods such as \_\_\_\_\_. Without this "black marketplace" many more citizens would starve to death.

**MORE CHARACTER REVIEW**

For the following activity, fill in the blanks with what you remember about this character. You can write whatever you want for the blanks, as long as it relates to that character or the novel, in general.

**EXAMPLE:** If I were Suzanne Collins, I would be the author of *The Hunger Games*. I would be the author of *Catching Fire*, as well. But I would **not** be Katniss Everdeen, because that would be the narrator of *The Hunger Games* and *Catching Fire*.
